Building Better Pathways to Success to create a community learning globally

GEM

The Resilience Project supports the emotional literacy program at BBPS and has taught us that by practising gratitude each day, by acknowledging and appreciating what we have rather than what we do not have, we can rewire our brains and ultimately become more positive and less anxious. Our sleep improves, as well as our focus and determination. We are happier, more enthusiastic and positively engage with life and all its challenges. Each morning Ed and his buddy Charles visit classrooms to collect gratitude slips. These are short statements that remind us to appreciate how lucky we are and celebrate the little things. Check out a sample of Junior School contributions.

Prep T are grateful for life
Prep T are grateful for lego
Prep T are grateful for fairies

Prep W are grateful for school
Prep W are grateful for Minecraft
Prep W are grateful for feather boas

Prep E are grateful for sport
Prep E are grateful for toys
Prep E are grateful for footy

Grade 1M are grateful for people who love us
Grade 1M are grateful our mums

Grade 1W are grateful for school
Grade 1 W are grateful for our homes

Grade 1A are grateful for the new wobbly chairs
Grade 1A are grateful for lovely fresh fruit

Grade 2C are grateful for incursions
Grade 2C are grateful for before and after school care

Grade 2G are grateful for having a good day at school
Grade 2G are grateful for our yummy dinner last night

BBPS Has Got Talent

A huge congratulations to all those students who participated in our talent show on Tuesday afternoon. The level of skill and creativity displayed by our students was inspiring and highly entertaining. We were treated to a smorgasbord of talent: including dancers, singers, musicians, a DJ and comedians. Well done to all those who participated and we look forward

to seeing your development as performers at our next show.

Science Expo

We would like to congratulate all the students and their teachers for all their hard work leading up to the Science Expo which was such a great success. Thank you to all the parents and grandparents who were able to make it in and celebrate the student's knowledge and blossoming passion for science. From Prep to Year 6 the information, inventions and concepts presented were impressive. Walking through the school parents and students were able to learn about the different instruments that measure weather, important scientists that have impacted our lives, natural disasters and space.

Music Lessons @ BBPS

Along with our highly valued instrumental program with Phil Gunter and Red notes, we are pleased to offer singing lessons commencing next term. Please refer to our website in term 3.

Parent Teacher Interviews

On Tuesday night, teachers and parents took valuable time to meet and discuss student progress and reports. It was a great opportunity to reflect on the achievement of our children, with many teachers receiving a vast amount of recognition from our community for the work they do. Thank you to Kylie White and Kirsten Braun for leading the report process, and to all the teachers for the many hours of assessment analysis and consideration given to each child's report.

MND

A big thank you to the school community for your support this year raising money for Neal Daniher's Fight MND charity.

Due to your generosity BBPS will be able to contribute \$202.20 to this important cause.

End of term

Yes, the final week of semester 1 2019 has arrived. Many thanks to all who contribute to the BBPS community. Just a quick reminder, students will be dismissed at 2.30pm on Friday from their classrooms, there will be no assembly. We hope all students have a safe and restful break and return in Term 3 fully charged to meet their next learning challenges.

Bev May Principal
Shanti Treloar Acting Assistant Principal

BBPS Art Show is coming.....

Bright World of Art

Tuesday 3rd – Thursday 5th September 2019

Parent Helpers needed!

We would greatly appreciate help from the parent community to assist us in the lead up to the Exhibition.

We require:

- 1 or 2 co-ordinators to liaise with us and parent helpers.
- Badge making from student design competition.
- Help with set up on Monday 2nd September (approximately 2 hours)
- Pack down on Friday 5th September (approximately 1 hour)

If you are able to assist in any way please contact:

Anoushka Prockiw prockiw.anoushka.a@edumail.vic.gov.au (Mon & Tues - Art room)

Georgia Hellier hellier.georgia.e@edumail.vic.gov.au (Wed & Thurs – Art room)

Mid Year Social THANK YOU!

Thank you to our generous businesses that supported
Brighton Beach Primary School by donating prizes for our
fundraising raffle!

SPECIALIZED CHESS COACHING

Since 2002, we have been providing our popular Chess For Kids program in schools throughout Melbourne & Greater Geelong.

We are excited to offer your child the opportunity to participate in our program at Brighton Beach Primary this term.

"Phil is an encouraging Chess Coach who has brought out the best in many children."

Chris Dickinson
Principal, St Justins,
Wheelers Hill

CLASS STRUCTURE

Different lessons are taught each week from a structured syllabus ranging from tactics, strategies, master openings, traps & special moves. After the lesson children are paired up in a fun tournament playoff. Prizes are awarded to the top 3 players at end of term.

COST - PER TERM/PER CHILD

\$105 Before June 28 (early bird)
\$115 After June 28
